WOLF

HELMET PRO

Helmet mounted PPE certified hearing protection
with DAB+, FM, Bluetooth, microphone
and boom mic jack

What it takes to protect

Helmet Pro is a PPE certified helmet mounted hearing protection with DAB+, FM, Bluetooth, integrated microphone and boom mic jack.

WOLF Helmet PRO has a 30mm helmet clip, which is the standard helmet slot on most safety helmets.

Helmet PRO has a built-in microphone and Bluetooth for hands-free streaming from your smart device. It also has a display with a clock, battery indication, and DLS (dynamic label system) from the broadcaster (info about song titles, names, etc.). Helmet PRO has a boom mic jack and is certified on the IPX4 standard for waterproofness.

The internal battery is rechargeable and will last for three whole days of work.

Accessories (can be bought separately):

- External Boom Microphone
- Replaceable hygiene kit (new earmuffs)
- Replaceable Hygiene Kit (Silicone Gel)
- Visibility and Customization Kits (5 colors)
- Replaceable battery
